(iv) Subject to clause 12(v), the Purchaser may resell or use the Lots in the ordinary course of its business (but not otherwise) before payment for the Lots is made in full (if the Purchaser resells the Lots before that time it does so as principal and not as agent).

(v) If before title to Lots passes to the Purchaser, the Purchaser suspends, or threatens to suspend, payment of its debts or is unable to pay its debts as they fall due or admits any inability to pay its debts, or is deemed by the Auctioneers to be unable to pay its debts, then, without limiting any other right or remedy the Vendor may have:

- (vi) In the event of sale by a Purchaser before payment has been made in full, the Purchaser shall hold the proceeds of such sale on trust for the Auctioneers (as agent of the Vendor).
- (vii) In the event of breach of clause 10 or clause 12, the Auctioneers reserve the right to enter on to the property of the Purchaser, or others, to reclaim possession of any Lot.

There will be no Buyers Premium.

### 14 VALUE ADDED TAX ON PURCHASE PRICE

VAT at the standard applicable rate will be added to the sale price of all lots unless they are exempt.

Unless otherwise stated no warranty is given by the Auctioneers, their servants or agents or by any Vendor to any Purchaser in respect of any Lot and any express or implied conditions or warranties are excluded to the fullest extent permitted by law.

(ii) If any Lots are described at the same time of the Sale as in "working order" such Lots shall have no defect which renders them incapable of the reasonable work for which they are intended and they must be capable of performing such work for a period of 7 days commencing at 12 noon on the sale day subject always to 15(v) to clause 15(vii) inclusive set out below.

(iii) Any Lot described by the Vendor as "just overhauled", "straight from work", "worked up to date of sale" or "as new" or any other similar description will be deemed to have been sold with a warranty that such Lot is in "working order".

(iv) All electrical items require a current Electrician's Safety Certificate and any item delivered without a Certificate will either be refused entry or have the lead and plug removed and sold as scrap. Where electrical equipment is sold without specific instructions for use it is the responsibility of the Purchaser to take independent advice as to the correct operating procedures and any characteristics specific to them. The Auctioneers and Vendor shall have no responsibility for the safe use of the item.

(v) The Purchaser of any Lot is responsible for complying with all legal requirements as to the safe use of Lots purchased at the Sale and shall ensure compliance with all relevant legislation relating to the safe use of such Lots.

(vi) The Purchaser will be deemed to have inspected any Lot and will be solely responsible for ensuring that the Lot complies with the Health & Safety at Work Act 1974 and in particular Sector Information Minute 01/2006/03 as issued or subsequently amended by the Health and Safety Executive or subsequent governing body prior to commencing use or work with such Lot.
